

Pear Gnes at home received your letter of Sin and mon this are, I was not down to P.O. last mights I'm working from the that I don't have true to go and get mail till it is to late, Am Traines goes mains your had such a nice time at him a feen there to of feen there too

2) an working for a very nice man has formily here, are from bentura, They were here last fund doering convention mands they are very nice heafile, got two gills 12 twelve and 14 fourtain years old the other star border has gone down town to see a one house show of some kind don't know what

3) it is like, I did

but am pretty twick

so stated at home

I would like tube

at home the 2 second

to vote, but guess

I east, have not

got mioney enough

the some with

which you all were

here to see the pretty

wild flowers, the grown

is just covered with

so many different skinds

you said walk with

so many different skinds

you said walk with

stepping on some very

time your step

Disess you will think of this is a short letter fair I could be shown I'm sist discussed about trying to get a place I come everything seems to go the roning way all the time of see yours all the time of bed with and with a sold with and with some ment time of ordered buts of brises. Daky
